

How to share Mannatech posts on your LinkedIn Account

STEP 1

Once you log in to LinkedIn, visit Mannatech Australasia's LinkedIn page (www.linkedin.com/company/mannatech-australasia) and Click on the **'Follow'** button.

You will find a list of updates. Select one that you would like to share with your friends and click **'Share'**.

STEP 2

A window will appear. Insert a personalised message, select who you like to share the post with, and then click the **'Share'** button to post the event on your personal wall on LinkedIn.

STEP 3

On the home page, you can use the **'Share an update'** tab to share something on your wall. E.g. Insert a web link from Mannatech's Blog (<http://www.mannatechblog.com/>). Then click **'Share'**.
